Counselling and Supporting Children and Young People: A Person-centred Approach, 2010, 208 pages, Mark Prever, 1446241912, 9781446241912, SAGE, 2010

This book is the ideal introduction to counselling and supporting children and young people. Taking a person-centred approach, Mark Prever offers readers a clear understanding of the theory and practice of working with children and young people in difficulty - whether in a therapeutic, school or social work setting. This practical text: - specifically addresses both the counsellor and the 'helper', who may be unfamiliar with counselling jargon - contains exercises, points for further thought and discussion, and boxed notes throughout, highlighting exactly how the theory applies to the child or young person - discusses ethics, the current political agenda and evidence-based practice. This book is a must-read for trainees and professionals working with children and young people in the fields of counselling and psychotherapy, education, mental health, nursing, youth work and social work.
